To harmonise one's life through space, my philosophy as a designer includes:

Communication.

The creation of space provides a place to share one's values and I would like to create a community where individuals can interact directly – face to face.

Nature.

I would like people to be connected to nature. By doing so I believe that warmth will infuse the space.

Creation.

To continue considering the essence of design by constantly returning back to its origins.

The most exclusive lifestyle of all.

With every possible amenity provided, Boulevard Vue, quite simply, underscores everything that epitomises thoughtful luxury. Smooth efficiency of day-to-day tasks is guaranteed with the residence's e-Concierge services.

Each Boulevard Vue residence comes with three individual, designated garage spaces – each spacious enough to accommodate a Rolls Royce. The penthouses will have four such garage spaces.

An exquisitely detailed water garden sets the tone for the extensive facilities. A 25-metre infinity-edged lap pool and a reflective pond offer indulgent options for relaxation or exercise. A fine dining area with a full bar allows for alfresco entertainment.

It was inconceivable, until now.

Boulevard Vue has a simply peerless attention to detail. Even the most discerning of perfectionists will appreciate the way the fittings and finishes have been carefully selected, sourced and matched.

In the master bedroom, you will find impeccably crafted Poliform Italian-designed 'his and hers' walk-in wardrobes, complete with a fully-fitted master closet with detailed storage spaces and whisper-quiet hydraulic doors.

The adjoining bathroom suite is in effect a six-star personal spa accommodating several separate bathing rituals. The tranquil relaxation of the gentle rain shower and the multi-function sunken Jacuzzi tub overlook magnificent vistas of the city. A professional spa-style natural heated stone slab, a luxurious twin vanity and designer fittings as well as two 'invisible' LCD TV create a perfect personal sanctuary.
